

JUNIOR LEAGUE THE LEHIGH VALLEY

Every November, the Junior League of Lehigh Valley, PA, proudly donates Thanksgiving baskets to local families in need. Each basket contains a grocery store gift card, along with a selection of perishable and non-perishable foods, providing families with the essentials for a festive holiday meal. In partnership with community organizations, we identify families facing the greatest food insecurity to ensure our support reaches those who need it most.

This year, we've seen a surge in requests from local schools, and the need has nearly doubled. To make this possible, we're seeking a community partner who can help us fulfill this increased demand and become a true champion for these families.

Our Mission and the Need:

The Junior League of the Lehigh Valley works to advance women's leadership for meaningful community impact. Our Thanksgiving basket project, a tradition in our League, provides a complete Thanksgiving meal for families across six local schools who might not otherwise have the means to celebrate. With 165 baskets needed this year at a total cost of \$8,000, we're looking for supporters like you who are ready to make a bold impact right here in the Lehigh Valley.

Who These Baskets Will Help:

Each Thanksgiving basket goes directly to a family identified by our partner schools as being in urgent need. These aren't just meals, they're a way for these families to feel part of our community, sharing a holiday tradition with dignity and joy. Many of these families would otherwise go without, and your support can ensure that each and every one of them has something to celebrate this season.

How You Can Lead as a Sponsor:

We're asking businesses like yours to consider sponsoring multiple baskets or even the entire project. By supporting this effort, you would be helping families directly and visibly while positioning your business as a key partner in local community support. As a sponsor, your business will receive prominent acknowledgment across our promotional materials, social media, and at our events, showing the community your dedication to making a difference.
